# **SENIOR EMERGENCY PACKS**

Lynn Kellas, who is part of our Ford Foundation group has been collection materials to assemble Emergency Packs for Seniors.

This is a note from her....The council chambers at City Hall has been reserved for Wednesday August 5th 10 a.m. to complete the build of our senior emergency packs. I would like to invite any of you that are interested in helping out. Steve you mentioned some of the volunteers may want to help. I also have a few seniors that would like to assist, they are so appreciative of the packs they would like to help complete them.

There is not an awful lot to do. Myself and a few volunteers have done most of the pre packing of personal items, first aid items, and food items.

If you can help let me know....PJ
