

The Dany'al Challenge

“I have heard of you, that the Spirit of Alah is in you, and that light and understanding and excellent wisdom are found in you.”

Dany'al 5:14

Commitment, Integrity, and Strength

The story of Dany'al is an amazing story! Growing up, most of us heard the famous Dany'al in the Lion's Den story and the story of his three Hebrew companions being thrown in the fiery furnace. These stories were told to us in order for us to see the importance of standing for what is right. We would walk away encouraged to do the right thing no matter what because we knew the Almighty had the power to deliver us. We knew we could be strong and turn from any temptation. This is what the stories of Dany'al and his friends did for us. It's time we revisit the book of Dany'al. Let's get reading!

Dany'al had a testimony and was well known during the reigns of Nebukadnetstsar, Beltshatstsar, and Dareyawesh. They knew they could count on Dany'al to operate in truth and integrity because he was always committed to his mighty one, Yahuah. We should have this same testimony!

Yahuah Will Deliver

Yahuah proved Himself to Dany'al, and there isn't any doubt to the delivering power of our Alahym. When Dareyawesh put Dany'al in the den of lions he did so with extreme regret. This foreign king even fasted for Dany'al's protection and deliverance. Take a look at what he told Dany'al

“...But the sovereign spoke and said to Dany'al, “Your Alah, whom you serve continually, He Himself delivers you.”” Dany'al 6:16

Mighty Acts through Prayer

We can experience the bold and known deliverance of Yahuah if we commit ourselves to prayer as

Dany'al did. When Dany'al heard about the sentence against him, he didn't overreact. Instead, he went on with business as usual.

“And Dany'al, when he knew that the writing was signed, went home and in his upper room with his windows open toward Yahrushalaym he knelt down on his knees three times a day, and prayed and gave thanks before his Alah, as he had done before.” Dany'al 6:10

We have a great example here! Dany'al's commitment to meeting with Yahuah three times a day stabilized him, strengthened him, and Yahuah gave great attention to Dany'al and all things concerning him. Yahuah will do the same for us if we commit to meeting with Him three times a day. This must become part of who we are; we must do this every single day.

“Evening, and morning, and at noon, will I pray, and cry aloud: and He shall hear my voice.” Tahalym 55:17

The Challenge

Alright. Here we go! The challenge, you know what it is. Yahuah is calling for us, the set-apart ones, to commit to meeting with Him three times a day in prayer. Prayer is necessary for our survival. In prayer we humble ourselves and bow before the Mighty Yahuah. We give thanks and worship Yahuah. We also communicate with Yahuah, and Yahuah communicates with us.

So, starting now, each one of us must develop a schedule that reflects a meeting with Yahuah in the morning, afternoon, and evening. Now, this is not short-term, this is to be part of our daily existence. This call is going out and Yahuah expects this from us. Through this we will know Yahuah more and His purpose for our lives. Our perception will become crystal clear and we will be strong and act.

“...But the people who know their Alahym shall be strong, and shall act.” Dany'al 11:32
